

Product Features

- Pressure control panel extension module
- Modular design
- easy to install

Technical Data

Inlet Pressure P1:	Max. 300 bar
Materials:	SS 316L / Red copper
Temperature range:	-30°C to +74°C
Weight:	approx. 1.2kg

Dimensions (mm)

Ordering Information

VMX 1 - B - 1L - 1R

Product Series

- 1: VMX1 Series
- 2: VMX2 Series

Materials

- S: 316L
- B: Red copper

Extension module on the right

- 1: One module
- 2: Two module
- 3: Three module
- N: N module

Extension module on the left

- 1: One module
- 2: Two module
- 3: Three module
- N: N module
